Description

During my trip to Dubai to photograph the serene and beautiful tranquil sand dunes in the desert, I came across this lonely tree, clearly battling the elements. Many of the trees and shrubs that once stood have their roots exposed to the sun or are buried by the ever changing windswept desert landscape of AL Qudra , South East of Dubai.

Specifications

Original photographic print on Fuji Crystal DP II and sealed with durable elastic silicone on 2mm thick glossy acrylic glass
With stable rear part in Dibond aluminum.
