

# Spitze

**Artist:** Rineke Nijssen

**Product Code:** RINS-spitze

**Availability:** 1

**Dimensions:** 6.00cm x 18.00cm x 20.00cm

**Price: €450,00**

## Description

Spitze, such a high! A 3D glass object made with glass fusion in the shape of a triangular peak. And with an interesting vista right in the middle, what would be behind it? Rineke wanted to experiment with a triangular shape and that worked out well. The strips of blue glass are slightly wider, creating a nice relief on the piece. Richtig Spitze!

## Specifications

Unique glass sculpture.

Sizes sculpture: 20 x 18 x 6 cm.
