172.00mm

Price: €75,00

Description

Inspired by the 17th century and driven by the desire to give the iconic Delft Blue that Royal Delft has been creating since 1653, we present Proud Mary. Proud Mary consists of four separate parts: a skirt, body, collar and head. This Proud Mary is a true ode to the city of Delft: the city of Delft Blue and the painter Vermeer thanks to his famous 'View of Delft' on her skirt.

Specifications

Sizes: 10,8 x10.8 x 17,2 cm.
