Specifications

The artwork is displayed on HDM (High Definition Metal) with a glossy finish. This is a metal that is treated with a special coating so that an almost completely scratch-free object is created and you can therefore produce a very high resolution print. In addition, the special coating applied to it makes all details sharper and more accessible. The color gradations are very smooth in the image.
Limited edition of 6 pieces, hand signed, numbered and supplied with a certificate of authenticity.
