Omschrijving

How unfortunate it is that you, a unique person, do not see your own beauty.
It's hard to find a way back to who you really are.
But every person is beautiful on the inside.
By accepting that you are beautiful inside, each person in their own unique way,
you can shine again and show your real self.
Your uniqueness in a golden frame.
Sometimes you need outside support or approval to convince you.
But in the end, only you are able to shine when you accept yourself as you are.
